

Honor Their Legacy by Being Part of Ours.

monica@crownpointecology.org.

Honor your friends and loved ones through Crown Point's Named Giving Program. Tributes can be made in the donor's name or the name of another who is being honored, recognized or remembered. Occasions for these gifts may be milestones in peoples' lives such as birthdays, anniversaries, or graduations. Memorials are also wonderful ways for family, friends and/or organizations to recognize the legacy of friends and loved ones.
